outside services

We have an extensive inventory of equipment to meet the majority of needs. In the event you have chosen someone else to provide services, the hotel will charge electrical and technology patch fees, as required, for equipment brought in or provided by outside sources. In addition, the hotel reserves the right to charge up to 50% of the assessed value for service and equipment rentals brought in or provided by outside sources. We require a Production Attendant to be provided by the hotel at \$50 per hour to monitor any outside audio visual companies.
