## Embassy Suites O'Hare

We would like to take this opportunity to introduce our hotel to you. The Embassy Suites O'Hare Rosemont is fashioned in the style of local architect, Frank Lloyd Wright. He incorporated wide-open spaces with the simple beauty of nature. Stained glass windows and lighting fixtures, wooden accents throughout the hotel, and skylights are prime examples of his work.

You may choose to begin your cocktail hour in our Atrium among the twilight sky shimmering through the skylight while our "player" grand piano fills the air with beautiful background music. Our Grand Ballroom can accommodate 150-300 of your closest friends.

The following packages can be redesigned to meet your needs. We want to create a day that is special to you and will remember always. Here at the Embassy Suites O'Hare Rosemont we want you to have YOUR wedding, not OUR wedding. We look forward to working with you.
