

Our 18 hole, par 72 championship golf course designed by Willard Byrd, is carved into a lush Carolina Forest with hills and mountain-like brooks, making The Preserve at Verdae both scenic and challenging to play.

TOURNAMENT PACKAGE

Our course is situated on over 100 acres of green space in the heart of mid-town Greenville in Verdae Development, and located adjacent to the Embassy Suites Greenville Golf Resort and Conference Center. In addition to the best 18 hole golf layout in the upstate, our facility features large driving range, putting green, chipping and short game area. We are the only course in the upstate with Mini-Verde Bermuda greens.

The Preserve at Verdae is committed to the environment. Our mission is 'Striving for Harmony Between Golf and Nature'. We are a certified wildlife habitat by the National Wildlife Federation. We have re-imagined our landscaping along the course and created naturalized areas reflecting native grasses and plants and reducing the amount of water, pesticides and fertilizers required. In addition we have created an environment attractive to the local wildlife.

During your round you may encounter a rafter of turkeys or magnificent hawks soaring above the pine trees. You can play golf many places, but only here can you have The Preserve at Verdae experience. Before or after your round be sure to spend time in our clubhouse golf shop to browse the latest equipment and golf fashions or enjoy lunch and beverages from The Preserve Grille & Deck serving delicious casual fare and offering full bar service.

Timing deadlines to be established

- It is recommended that you organize every detail as early as possible
- Encourage potential participants to sign up and commit by sending out an email out early in the planning stages.
- If any sponsors are going to be involved, get commitments and iron out the details.

Format of play and competitions

8 days prior to event

- Guarantees: Club rentals, food and beverage and tournament player counts required 8 days prior to event.
- Final draw: List of names of all participants and groupings including proper spelling of first and last names of each guest to be forwarded to tournament coordinator.
