Tips from Samantha

El Mercado is a family must do! With piñatas dangling above, gargantuan sombreros, guitars and Mexican candy, this is a shopping experience both you and your kids will be delighted and energized by. Just remember it's nearly impossible to pack a piñata.

The **Twilight Family tour** at the **San Antonio Zoo** is a relaxed way to see the animals once the day has quieted down. The crowds and the heat are gone but the animals come to life as their feeding time begins!
